Introducing our new SPC Flooring collection with an 8mm total thickness, including a 6.5mm core and 1.5mm IXPE underlayment for comfort and sound absorption. Featuring a durable 0.5mm wear layer, Registered Embossed finish, and pressed micro V edges, the 9" x 72" planks (228mm x 1830mm) exude elegance.

With the 5G click system, installation is seamless and efficient, perfect for both residential and light commercial spaces.
